# OTHER IMPORTANT INFO

## WHAT TO BRING

Everyone will need to wear enclosed shoes for Tenpin Bowling. Guests are more than welcome to bring their own enclosed flat shoes and we do recommend it (we would suggest adding this as a requirement to the invitation), otherwise we have Bowling shoes here (they are limited if there is going to be a large number of people with around the same shoe size). If hiring Bowling shoes (at no extra cost) we do require that the guest wears socks. If socks are forgotten we can supply them at \$2 a pair.

## OUTSIDE FOOD AND DRINKS

No outside food, drinks and lollies are permitted on our premises you will be kindly asked to remove them immediately. Birthday Cake is allowed. Lolly bags can be given out HOWEVER they must only be given on departure and not consumed within the club.

## DRESS CODE

No hats or singlets on males (we recommend bringing a hat for mini golf, it just cannot be worn until out of clubhouse).

Thongs are fine HOWEVER we do recommend insisting that your guests wear fully enclosed shoes for tenpin bowling.
