

KID'S PARTY

Details

Duration: 3 hours. Times starting at either 10.30 am (lunch) or 3.30 pm (dinner).

The costs: Mon-Fri \$18, Sat-Sun \$24.

Age: 14 and under.

Min. guests: 10.

What Happens: Upon arrival our staff will show you to the exclusive room. Whilst waiting for guests to arrive children can play on the Rock Wall for 30 min, they will then progress onto the Tenpin Bowling for roughly 1 hour. Once the Tenpin concludes they will have their food and drink, this is also a good time to serve the cake (if bringing one). Once they have finished eating they will make their way out for Mini Golf for about 45 min then the party has concluded.

Food: I will email you a form for the food options so you can see what is available. This form is what you will receive on the day for the kid's to choose their options. At an extra \$2 per person we can serve Fairy Bread and Potato Crisps.

Decorations: Decorations are included. You can choose from three different themes; Pirates, Disney Princess and Hawaiian. These are optional.

What to bring: Everyone will need to wear enclosed shoes for Tenpin Bowling. Guests are more than welcome to bring their own enclosed flat shoes and we do recommend it (we would suggest adding this to the invitation), otherwise we have Bowling shoes here (they are limited if there is going to be a large number of people with around the same shoe size, hence why we do recommend bringing your own sneakers). If hiring Bowling shoes (at no extra cost) we do require that the guest wears socks. If socks are forgotten we can supply them at \$2 a pair. We would also suggest bringing hats to be worn out at Mini Golf.

Requirements: I would require a list of guest names prior to the event for Tenpin purposes. Kid's do need to be supervised at all times. Payment and final numbers are due five days prior to the event. There are no singlets or hats to be worn on men at all times.
